Note: Operating Funds are defined at Educational Fund, Operations/Maintenance Fund and Transportation Fund. The District implemented significant cost reductions for the 2011 fiscal year in response to the large deficits that had occurred and were projected. The 2012 revenue includes almost \$5 million in additional property taxes because tax bills were due August 1st and the District was able to record a portion of those collections in the 2011-12 revenue.

Note: The 2007 revenue includes one-time revenue from the settlement of an asbestos lawsuit. \$5,075,000 was included as revenue in the Health Life Safety Fund. The 2010 revenue figure includes an additional 5% in property taxes as a result of a change in Illinois law. This was a one year spike in revenue. The District implemented significant cost reductions for the 2011 fiscal year in response to the large deficits that had occurred and were projected. The 2012 revenue includes almost \$5 million in additional property taxes because tax bills were due August 1st and the District was able to record a portion of those collections in the 2011-12 revenue
