

District Hires Construction Management Firm to Oversee Referendum Projects

In November of 2018, a majority of District 207 voters approved a measure to borrow \$195 million to improve safety, update infrastructures and improve learning environments at Maine East, Maine South and Maine West. In addition, the district indicated it would also utilize a portion of its reserve funds for the project that will bring the total project scope to \$240.7 million.

On Monday, March 4, 2019, the Board of Education approved Pepper Construction as the construction management firm to oversee and manage all of the projects and upgrades.

Along with district experts and the district's architect Wight & Company, Pepper Construction Company joins the team that will help in the construction.
