Intruder Drill Training Set for April 26

Maine Township High School District 207 is taking a proactive approach to school safety in several ways, including by providing violent incident training for all students. This training is consistent with current research and best practices concerning how to respond and react in the event of an active shooter crisis and will occur at all three schools on April 26. The training of students is similar to what is being used by other area school districts.

Schools Earn Prestigious Award for Counseling

The American School Counselor Association (ASCA) honored both Maine East and Maine South as they were recognized as ASCA Model Programs abbreviated as RAMP. The RAMP designation recognizes schools that are committed to delivering an exemplary comprehensive school counseling program. Honorees are awarded for aligning their program with the criteria in the ASCA National Model, a framework for a comprehensive, data-driven school counseling. This year, just 71 schools in the country earned the honor. Maine West earned the honor in 2017.
