Learn about Integrated Math

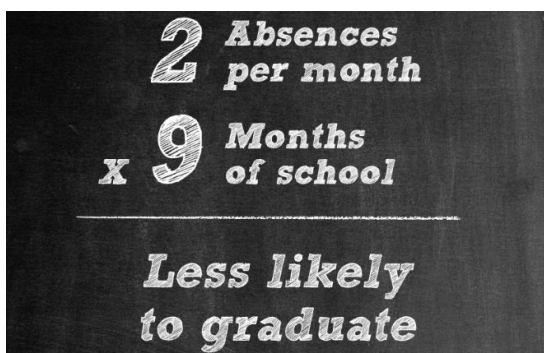

Freshmen students are experiencing a change in the approach to math instruction starting this year. The district believes this will have a positive impact on student learning. For the Class of 2023, students will learn mathematics as part of an Integrated Math sequence within the curriculum.

Help District 207 Increase Attendance Rates

Showing up for school has a huge impact on a student's academic success. In fact, national statistics show that two absences per month means a student is less likely to graduate. The district has pulled together helpful tips on increasing student attendance.
