EXISTING FIRST FLOOR

BUILDING SPECIFIC CHALLENGES

Create secured front entrance

Modernize dated footprint / spaces for active learning style & program evolution (fine arts/athletics/special education)

Consolidate athletic/pe spaces to max. resources & increase after-hour security

PROPOSED FIRST FLOOR - UPDATED

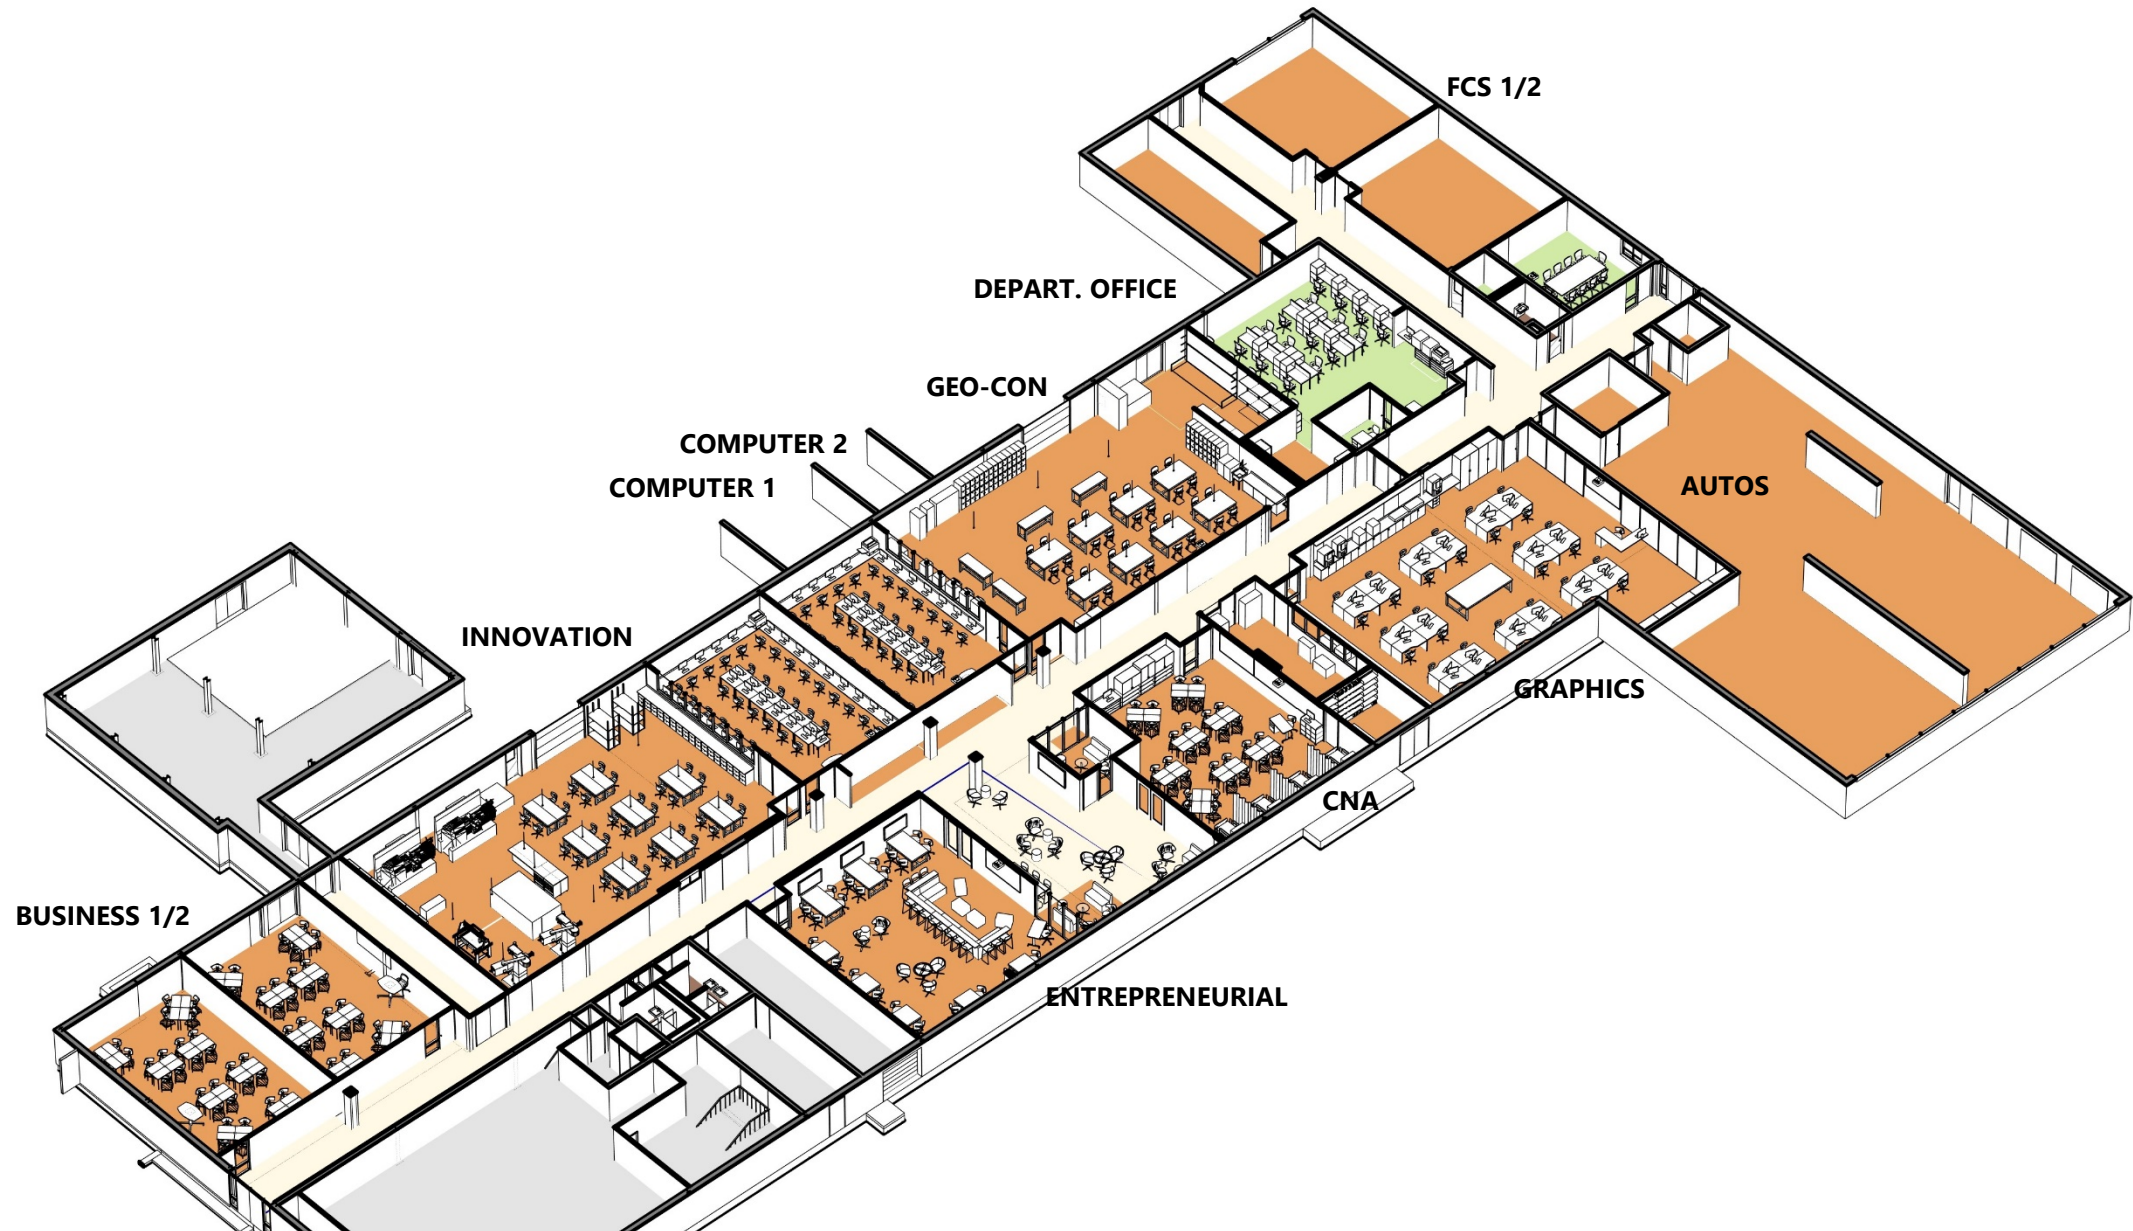

Hallway View

This architectural rendering shows a long, bright hallway. On the left, a wall of yellow bricks is topped with a glass railing, and a person is sitting on a ledge. On the right, there is a glass-walled room and a wooden door with a person standing nearby. The floor has a pattern of yellow and grey stripes, and the ceiling features recessed lighting.
