

### Meal Distribution will Continue Through the Summer

Maine East, Maine South and Maine West high schools will continue to provide meals to any family in need on Tuesdays and Thursdays throughout the summer.

### Virtual Groundbreaking for Maine South

Since an in-person groundbreaking was not possible to celebrate the work being done to improve Maine South High School, a virtual groundbreaking was created in the form of a video.

### Consider Donating to Help Those Most In Need

District 207 is still collecting money that is being used to purchase gift cards for those most in need in our school community. So far, more than \$95,000 has been raised by the generosity of those in our school community.

Gift cards are being distributed on a weekly basis to families and will continue to be distributed as long as there are funds.
