A screenshot of the MyMealOrder registration page. The header includes the MyMealOrder logo and the text 'myMealOrder.com', along with links for 'Help', 'Contact', and 'Registration'. The main heading is 'Register for your account'. The registration form is organized into three columns. The first column contains: 'Display Name', 'Username', 'Password', 'Confirm Password', 'Security Question' (with a dropdown menu showing 'What was your childhood nickname'), and 'Answer'. The second column contains: 'First Name', 'Last Name', 'Home Address', 'City' (with a dropdown menu showing 'Abingdon'), 'State' (with a dropdown menu showing 'Illinois'), and 'Zip'. The third column contains: 'Home Phone', 'Cell Phone', 'Email', 'Confirm Email', and an 'Email Notification' checkbox. A green button at the bottom right of the form reads 'Click here to add students to your Account'.

If you have forgotten your password and are unable to login, click the “Forgot Password” link. Enter your username or email address then answer the secret question. A temporary password will be emailed to you. (Please check your junk mail if you do not receive it right away.) Once you login, you can change your password by clicking the “Change Password” link in the upper right hand corner.

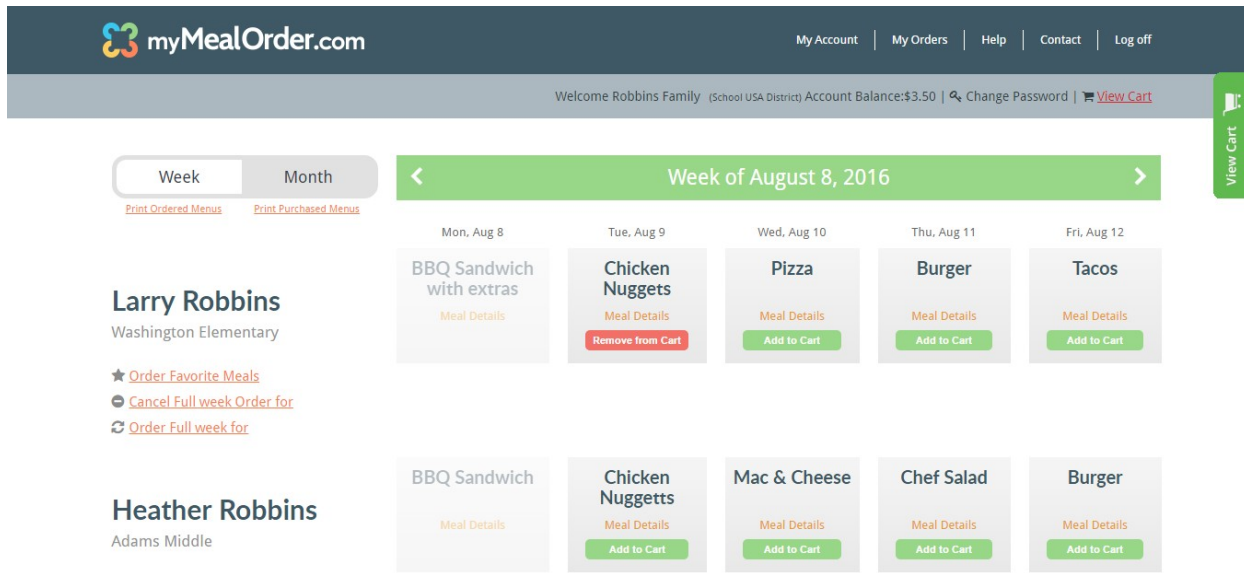

Once you login, this is the week view, all of the available meals and ala carte items for the week are shown. The days that are “grayed” out are past the lead time required for ordering.

To place an order, click the Add to Cart button for a meal. When you add this meal to your cart, the button will turn Red and show Remove from Cart. This means the meal is in your cart but hasn't been purchased yet.

You can also click the Details button of the Daily Ala Carte options to order individual items.

The Ala carte menu will open up and you need to enter a quantity next to the item(s) that you want to order and click Add to Cart. This adds the individual ala carte items to your cart.

You can move to the next or previous week by clicking the white arrows. Once you have added all of your meals and/or items to your cart, click the green View Cart button. The window will slide open to show all of your meals/items that are in your cart. You can remove items from your cart by clicking the X in the View Cart window or by clicking the Red Remove from Cart button. To remove an ala carte item, click Details to open the window and either change your quantity and click Update Cart or click Remove from Cart to remove all of the items. Once you are ready to complete the checkout process, click the Checkout button.

## Cancelling Orders

Once orders have been purchased, the Add to Cart button changes to an orange button labeled "Purchased: Click to Cancel". This means the meal/item has been purchased. You can cancel an order by simply clicking this button, assuming you are within the cutoff time/lead time required. Once cancelled, your mymealorder.com account will be credited the amount of the meal/item cancelled.
