

Free Meals Available to Students

District 207 is pleased to share that any student at Maine East, Maine South, Maine West and Frost Academy can now receive free meals each week. Families do NOT have to qualify for the program. There is no cost for the meals. [The District has also created a tutorial video \(subtítulos en español\).](#)

Complete the 2020 Census

The census provides a picture of our nation that helps determine where to build new schools and hospitals; how federal funding is distributed; and how congressional seats are apportioned.

If you have not yet completed the 2020 Census, the deadline is Sept. 30.

Students Can Serve as Election Judges

Anticipating a shortage of election judges, Public Act 101-0642 makes several changes to state law to provide students the opportunity to serve in the role of election judge.

In addition to specifically mandating that Election Day will be a school holiday, the law provides that election judges may be as young as 16 if they are otherwise qualified.

Construction Continues and Some New Spaces are Complete

Construction projects continue at all three schools while several spaces in the buildings have been completed over the summer.

Residents can see all the latest photos and keep up with the progress at each school through social media ([Twitter](#) and [Facebook](#)) as well as on the District's website.
