

District 207 is now using ParentSquare as its school-to-home communication system. This platform is designed to keep parents and guardians informed and encourage greater engagement and connection with your child's school.

Scan above to  
download the app!

## Activating Your Account

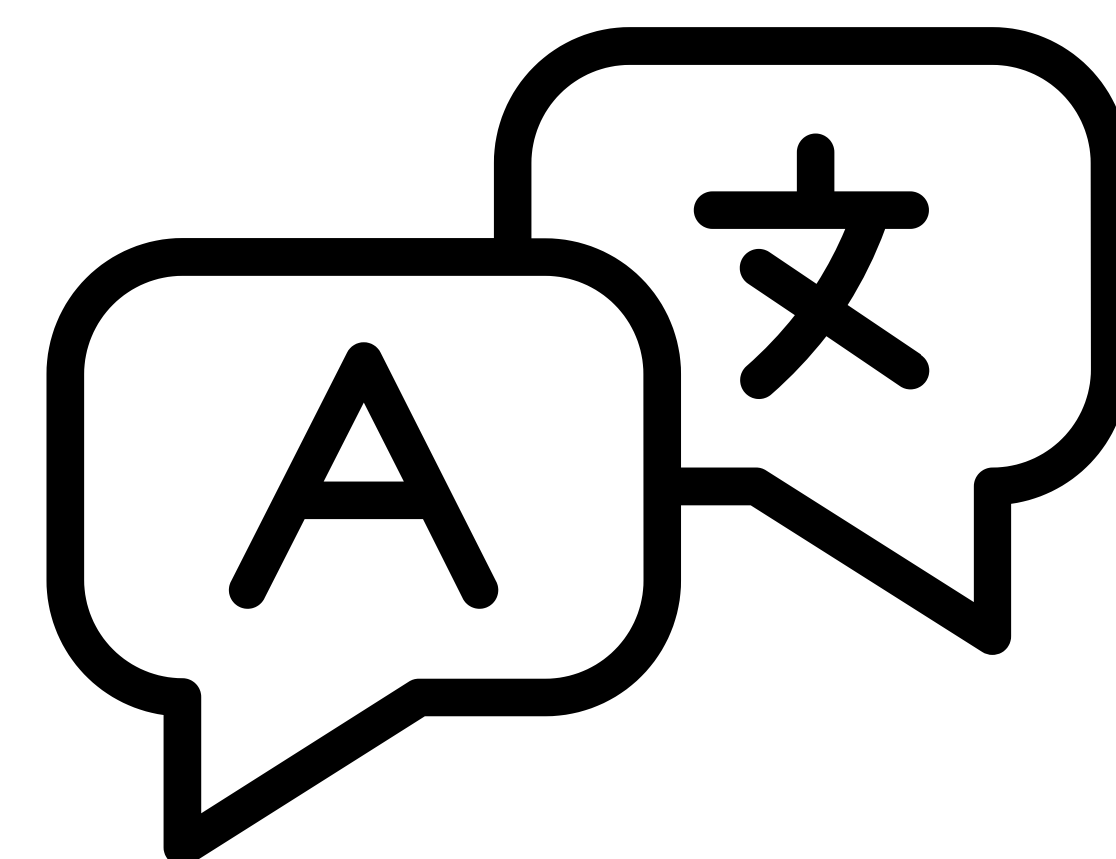

Most parents/guardians have activated their account already. However, if you have not activated your account, an email was sent today (August 28) with instructions on activating your account.

Activate your account

## Updating Language Settings

English is the default language for all messages and information ParentSquare. You can change your language preferences at any time after logging in:

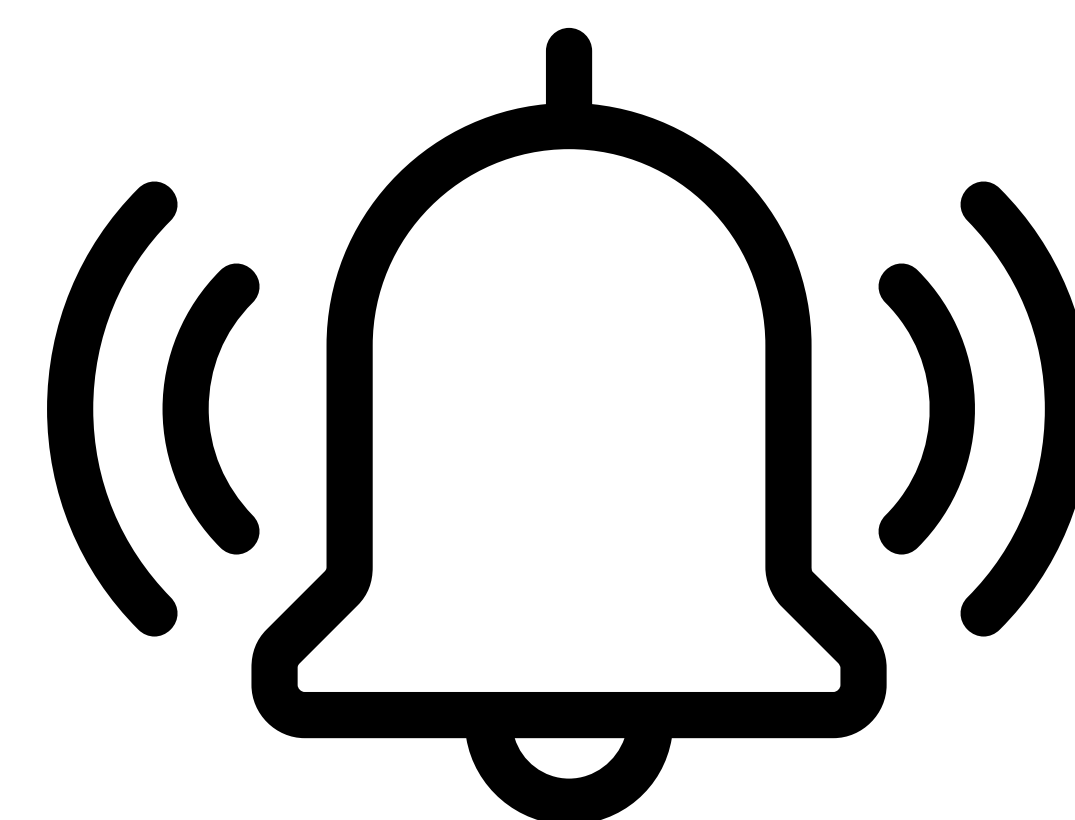

On a computer, click your name at the top right corner > My Account > Language Settings. On the mobile app, click the three lines icon at the top left > Account > Preferences > Language.

## Updating Notification Settings

You are able to choose how you would like to receive post notifications from ParentSquare. One logged in:

Click your name in the top right corner > My Account > Notification Settings. On the mobile app, click the three lines icon at the top left > Account > Notifications.
